

Group Service Programs Code of Conduct

I understand that this Code of Conduct reflects the non-negotiable rules that apply for the duration of the AJWS Group Service Program. Non-compliance of these rules can and will result in dismissal from the program. This Code of Conduct is designed for the benefit and safety of the group and its individual participants. **By signing the enclosed *Agreement and Release by Participant and Parent* you agree to observe this Code of Conduct in its entirety.**

1. I will comply at all times with the program itinerary and the instructions of my group leaders. I will not leave the group unless I have received prior permission from an AJWS group leader.
2. I will act in a safe and responsible manner and will be careful not to endanger the health and safety of others or myself.
3. I will not handle firearms or any other weapons, including machetes.
4. I will not jump, dive or swim in any body of water without explicit permission from the group's leaders.
5. I will not use or possess any drugs which are illegal under the laws of the United States and my host country.
6. I will act with integrity and respect for the community, my fellow volunteers, the program and AJWS. If I have any questions as to what is within the realm of appropriate behavior, I will speak with an AJWS group leader.
7. I will refrain from engaging in any romantic relationships and sexual activity with anyone from my host-country.
